ABOUT THE COMPANY

Akari India Pvt. Ltd., is a leading provider of high-quality power tools, pneumatic solutions and industrial ironing equipment in India. With a commitment to innovation, reliability, and efficiency, we cater to a wide range of industries, offering cutting-edge solutions for manufacturing, construction, and industrial automation.

At Akari India, we take pride in delivering precision-engineered products. Our customer-centric approach, combined with technological expertise, ensures that we meet the evolving demands of our clients with superior products and exceptional service.

With a strong distribution network and a dedicated team of professionals, we strive to empower industries with durable, high-performance tools and equipment that enhance productivity and efficiency.
